DOORWAYS

"Every year they say the same thing in the opening paragraphs of the yearbook." Jen remarked, "Schmaltzy mumbo-jumbo about life and changes."

"What about *doorways* representing choices and opportunities?" I asked. "How did they open the yearbook in '85?"

She thumbed through the book. "With a definition. 'Impact - The effect of one thing upon another'"

"Too heavy. Most students I know are allergic to dictionaries. Besides, kids already know what a doorway is."

"Okay Kelii, what was last year's?"

"Between the lines . . . experience . . . school as an institution . . . partaking opportunities . . . Nope, too pompous. I still don't understand what 'between the lines' means."

"Why don't we say that doorways lead to different paths our lives can take?"

"I like that. Students have to choose their classes: should they open the door to the Chem lab or to the bathroom."

"That's too literal. A sophomore has only one door to open at the end of the school year - the predestined door leading to the eleventh grade. But a senior has to choose Door #1, Door #2, or Door #3. We have to decide if we're going to attend a four year college, get a full time job, or travel."

"Sounds too much like 'Let's Make a Deal.' Besides, a doorway can also open to a room of your past, filled with memories and momentos of yesterday."

"A closing door, however, may bring a sigh of relief, or tears of sadness and melancholy. A door not yet open could bring dread, or the excitement of the unknown."

"Doors also open inward, revealing our individuality, our potential, and our limits. They lead to the fruitions of the strength within us . . ."

"Well Dr. Freud," Jen said sarcastically, "what about revolving doors, sliding doors, *The Doors*, squeaky doors, air doors, cargo doors, outdoors . . ."

"Okay, so it's too philosophic!" I shrugged. "I give up. Let's go get some lunch. Really, are these 'doorways' really that significant to our lives?"

We decided to let you, the reader, open the door to this book and judge for yourself.

"People sort of live in the dark about things. A lot of young people think the future is closed to them, that everything has been done. This is not so. There are still plenty of avenues to be explored."

Character development is the great, if not the sole, aim of education.

I looked for my soul,
but my soul could not see,

I looked for my God,
but my God eluded me,

I looked for a friend
and found all three.

There are places, I remember all my life,
Though some have changed,
Some forever, not for better,
Some have gone and some remain.

All these places had their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all.

THE CHAMBERED NAUTILUS
BY OLIVER WENDELL HOLMES

This is the ship of pearl, which, poets feign,
  Sails the unshadowed main-
  The venturous bark that flings
On the sweet summer wind its purpled wings
In gulfs enchanted, where the Siren sings,
  And coral reefs lie bare,Where the cold sea-maids rise
    to sun their streaming hair.

Its webs of living gauze no more unfurl;
  Wrecked is the ship of pearl!
  And every chambered cell,
Where its dim dreaming life was wont to dwell,
As the frail tenant shaped his growing shell,
  Before thee lies revealed
Its irised ceiling rent, its sunless crypt unsealed!

Year after year beheld the silent toil
  That spread his lustrous coil;
  Still, as the spiral grew,
He left the past year's dwelling for the new,
Stole with soft step its shining archway through,
  Built up its idle door,
Stretched in his last-found home, and knew the old no
    more.

Thanks for the heavenly message brought by thee,
  Child of the wondering sea,
  Cast from her lap, forlorn!
From thy dead lips a clearer note is born
Than ever Triton blew from wreathed horn!
  While on mine ear it rings,
Through the deep caves of thought I hear a voice that
    sings:

Build thee more stately mansions, O my soul,
  As the swift seasons roll!
  Leave thy low-vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
  Till thou at length art free,
Leaving thine outgrown shell by life's unresting sea!

Petie-
I'm really glad
I got to know you
this summer (I mean the
one we just had) We had a lot
of fun partying at the beach and
at the ragers! I remember when we were
just planning to take geology and now
the year is over! I know you'll be gone next
year so we have to party this summer. You always
make me laugh when we go and party so lets rage!

Love
Nell Regan

COMPETITION SQUAD

This is the first year that Santa Monica High School has had a competitive cheerleading squad. The squad placed second at the Western Regional competition. Because of their outstanding performance and high ranking, the selection committee invited our squad to compete in the National High School Cheerleading Championships in Florida. The squads competing are the best in the country. The Songleading squad qualified as well for the National Songleading Competition and traveled to Florida.

Both squads were shown on television from the L.A. Sports Arena during the halftime show of the CIF 4A Basketball Championship. Their extraordinary performance not only electrified the roaring Samohi crowd, but stunned the opposition as well

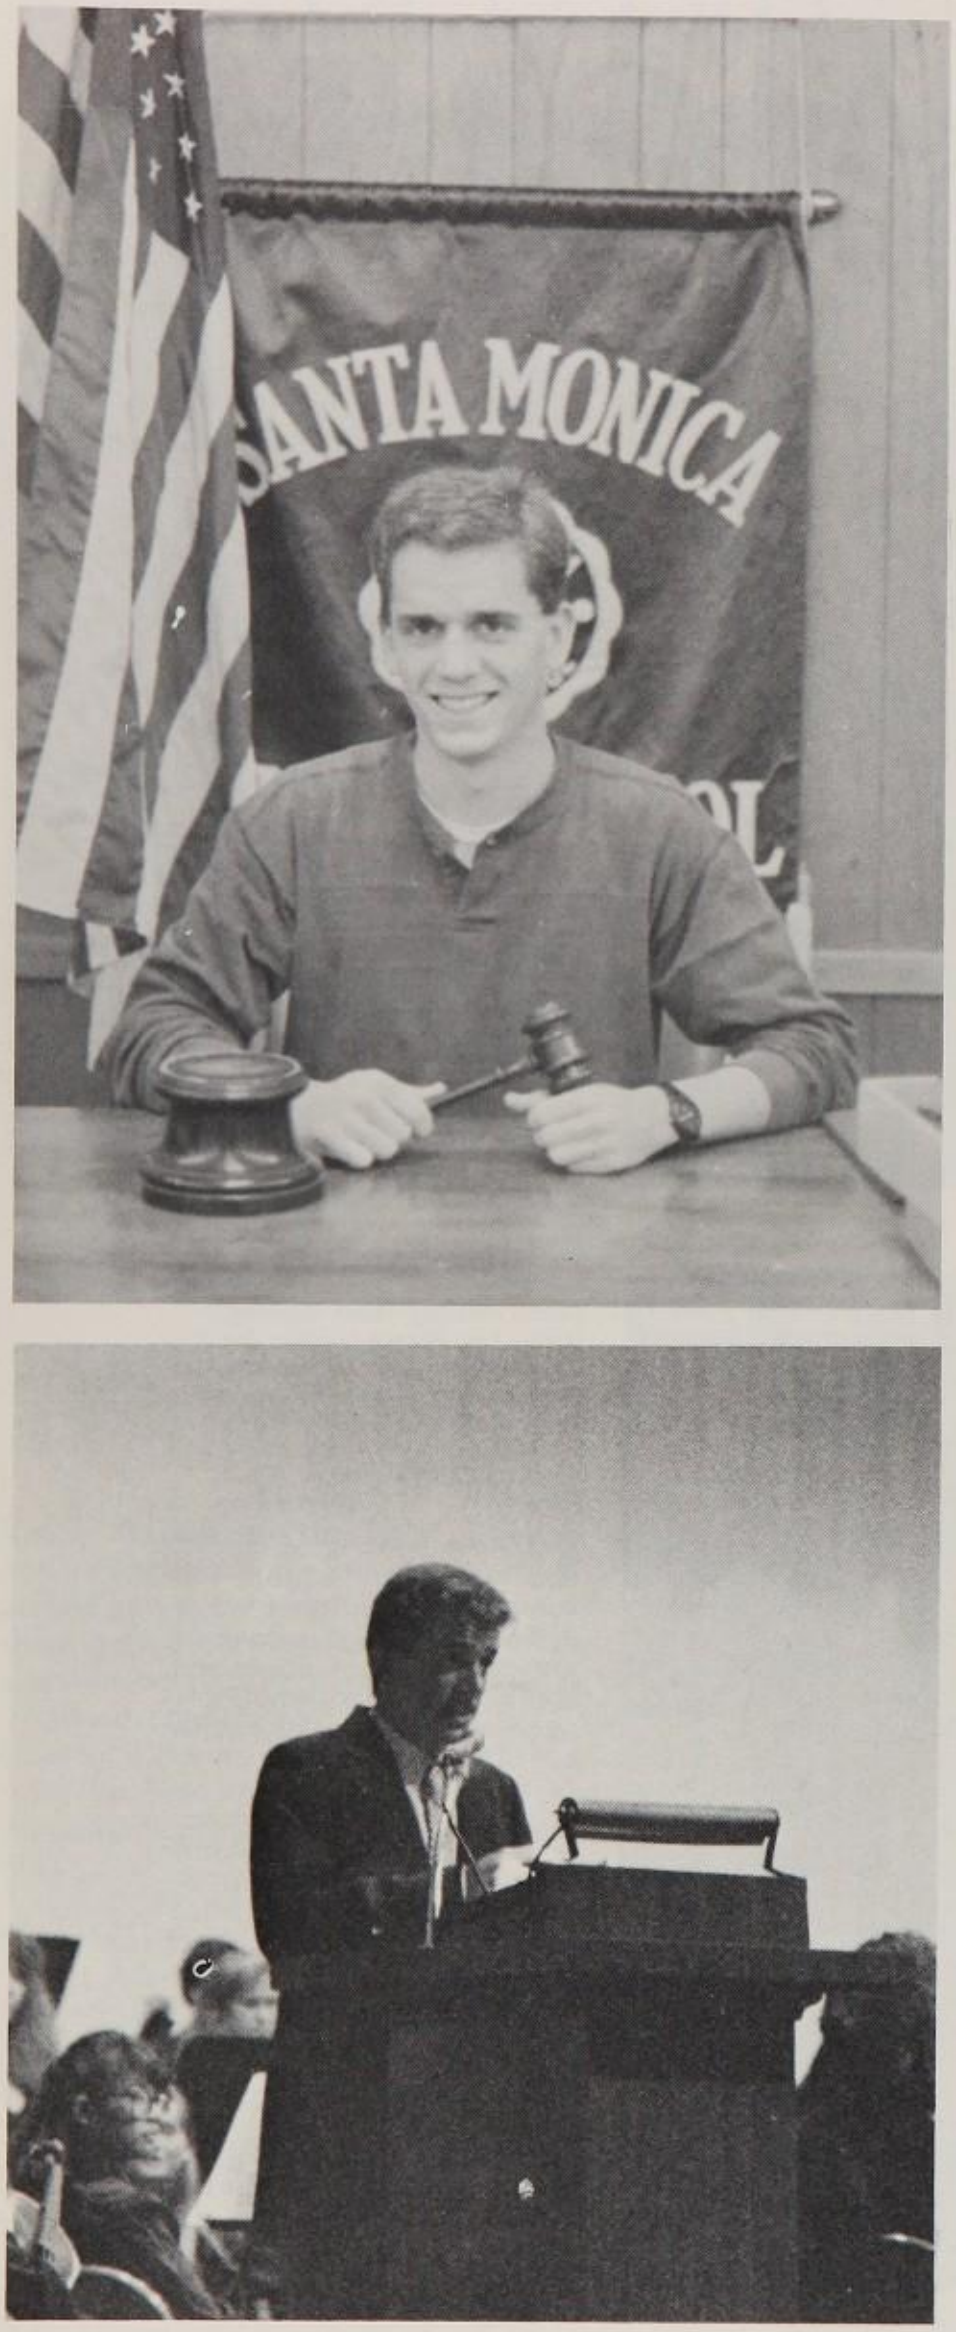
Since the winning of our independence and adoption of the constitution, the idea of a free press has remained one of our most cherished liberties, and stands not only as a basic right but as a symbol of democracy.

In any free society, the function of the press is to inform readers about pertinent issues. Whether it may be a legislative decision or a terrorist threat, the press' job is to convey the information, accurately to others.

But the people too have a job, a responsibility. They must protect the institutions that protect them. The press is a tool of the people, designed for the education and freedom of the people.

ASB



To Samohi's Student Body

Speaking for the Cabinet and the entire Student Government, I thank you for letting us serve Samohi. It has been a rewarding experience for all of us and one that we shall always remember.

The District's New Beginning gave the Cabinet a chance to take advantage of all the wonderful opportunities Samohi had to offer. Using these opportunities to the fullest, the Cabinet was able to better Samohi for years to come and I congratulate them on conquering that challenge.

Our offices have been trying ones at times, but we have attempted to stand up for what we thought was best for the entire Student Body. Often-times this has conflicted with the desires of individuals, but this is the way a true Student Government must function.

I wish next year's Cabinet and all the years to follow the very best and hope they are given insight to all the joys and problems they may face.

THEATRE ARTS

The hilarity of God's Favorite, the tragedy of Hamlet, and the fun of Bye-Bye Birdie has summed up a great year in theatre. We've had our trying times, and our great times, too. The theatre commandment "Thou shalt not be boring" was carefully heeded and the result was a year that was a perfect mix of laughter, tears, and hard work that made 1986-87 a year to remember.

Varsity Football

Challenged by the most difficult schedule in recent years, the Vikings opened the 1986 campaign with defending Del Rey League Champion, Loyola of Los Angeles. In a hard fought game, the Cubs were victorious, but the running of Jackson and a determined goal line stand near the end of the game provided evidence of better things to come. Victories over Palisades (32-0) in the eighth annual Rotary Bowl, and Rowland (14-13) on a last minute safety, set the stage for an outstanding effort against Edison of Huntington Beach — the 1985 Big-5 C.I.F. Champion and undefeated in 12 games. Blitzed, harassed, and blind-sided, the Chargers were overwhelmed by Davis, Satriano, Etebari, Bailey and company. Bongard returned, on the heels of a tremendous performance by Meline against Rowland, to guide the offense into the end zone twice. The offensive line shredded the vaunted Charger defense in the 4th quarter and the victory belonged to the Vikings . . . 21-7. The memory ranks right there with the victory over Poly in 1981.

Inglewood provided the first competition in Ocean League play. Bongard completed 11 of 16 for 123 yards, Jackson scored once and Jamar Davis scampered into the end zone with a recovered fumble following a blind-side hit by Bailey. Pringle added both extra points and a field goal to make the final score 17-0. Returning to Corsair Field for only the second home game of the season, Samohi was confronted with another Undefeated team — the 6-0 Centaurs of Culver City. Behind the blocking of Del Castillo, Lee, Kelly, Prabhy, and Heinrich, Jackson pounded his way for 185 yards on 31

carries, and scored 4 touchdowns. Defensively, the Vikings disarmed the Culver's "run and shoot" offense . . . the result, a 35-14 victory. Following a come from behind (20-16) win over Mira Costa highlighted by key interceptions from Etebari and Milburn (2), the Vikes were ready for a run at the championship. In a bitter struggle at Beverly Hills, the Vikings could only come away with a 10-10 tie. Single-handedly, Nelson kept the Normans out of the end zone with two key interceptions in the first half. Kettler made a diving grab of a Bongard pass for the only Viking touchdown, and early in the 4th quarter Pringle gave Samohi the lead with a tremendous 42 yard field goal. But the Normans fought back. With first and goal at the Samohi five, Crawford was repelled three straight times by the Viking defense. Beverly settled for a field goal which was nearly a mistake, for Samohi roared back in the closing minutes and missed a win by only a couple of feet. Hawthorne was the last challenge. A win meant a League Championship, but the Cougars were in the hunt themselves, and had scored a touchdown on their first play from scrimmage in the 5 preceding games. The Vikings went right to defense . . . and with everyone holding their breath, dropped Vallery, Hawthorne's all-league running back, for a 1 yard loss on the first play. Playing their best half of the season, Samohi registered a 20-0 lead in the first two quarters behind the running of Jackson and Mitchell. Hawthorne closed the gap in the final two periods, but timely sacks by Etebari and Satriano preserved the win and the Ocean League Championship for the (7-1-1) Vikings.

Sophomore Football

Samohi's sophomore football team had an outstanding 1986 season record of 6 wins and 3 losses, which led to their Ocean League championship.

They began the year with four practice games, two of which they won, two of which they lost. For the fourth year in a row, they beat Palisades High School 28-0. After watching Samohi's comeback win in the rain and mud at Rowland, Varsity Coach Tebb Kusserow stated, "It was one of the best sophomore games played here."

Two practice games, against Loyola and Edison, were upsetting losses for the Vikes, with final scores being 6-35 and 0-34 consecutively.

Samohi's first win in the Ocean League came with Inglewood, despite Tailback Greg Jackson's injury. Contributing to this win was ninth grader Marco Longo, who went in for the injured player.

The great playing continued at Culver City. Quarterback Steve Macko and Tightend Steve Blinn, performed very well in the exciting game, contributing to our win of 41-36.

The third game, at Mira Costa, proved the Vikes to be only human. The score ended up being 14-12 in favor of the Mustangs.

The team proved themselves to be the "Mighty Vikings" again

when they confronted Beverly Hills on unfamiliar turf and won 22-7. Marco Longo, Parker Mitchell and Jeff Peck all had good games and helped clench a chance at the League title.

The final battle for the Ocean League championship was with Hawthorne. The team played wonderfully, and because of this, they may now call the title their own.

The second year players and the ninth grade players, too, foreshadow a promising Varsity year in 1987!

Head Coach Ron Guercio had nothing but praise for the Sophomore Coaching Staff who put many hours into the program. Vince Guercio (4th yr.), Keven Guercio (4th yr.), Walt Shockley (1st yr.), Dale Alderson (1st yr.), Tony Phillips (1st yr.), and Paul Johnson (1st yr.). "Congratulations on a nice job!"

GIRLS VARSITY VOLLEYBALL

The 1986 Girls Volleyball Team did exceptionally well this year, despite having a new coach and lack of varsity experience.

Coached by Debbie Rodgers, they placed second in their league, losing only to the #2 ranked team in the state. They did not get far in CIF, and the tournaments, which were always lacking key players, were not as impressive either. Overall, they had fun and had an extremely educating, yet entertaining season.

Seniors on the Viking team were, Amy Prout, M.V.P. of the team, who was chosen for All Ocean League first team. Fran Kaufer, captain of the team, was also chosen for All Ocean League first team. Shannon Hopper, most improved of the team, was chosen for All Ocean League second team. Frances Paterson, who transferred to Samohi, was a key factor in the team's front row. Racquel Paige, a consistent all-around player, pulled the team through at key times. Andie Figler, most spirited, was one of the most reliable players on the team. Rosannes Landay, a dedicated Viking athlete, was always there to help the team during crucial moments.

A dominating junior on the team was Megan Forsyth. Her outstanding blocking and outside hitting were a key factor in her playing. Other outstanding juniors were Nicole Hartnett and Cristie Cassillas.

Dana Daly, the only sophomore on the varsity team, showed vast improvement and has definite potential as the next varsity setter.

Overall, the team showed a lot of talent while having a great time, which is what volleyball is all about.

On behalf of the varsity volleyball team, we would like to thank Debbie Rodgers, our coach, for being understanding and caring while working our butts into shape.

Thank you,
Fran and Racquel
P.S. Shuuuttuup!

Girls' JV Volleyball

The Samohi Jr. Varsity Girls' Volleyball team did exceptionally well this year, losing only to Mira Costa, the number one ranked J.V. team. While tournament results don't sound impressive, the experience achieved will be a dominating factor on next years varsity team.

Strong hitting by Rhonda Kelly and Kristen Honey brought the team out of critical situations. Erin Ellsworth and Brigette Leonard led the season with an exceptional job at middle blocking. Unfortunately, Brigette broke her ankle being unable to play for part of the season. Julie Abbott, sophomore, also did a great job on the court when Brigette was injured. Karen Cook was the all around consistent player, often helping the team when they needed it most. Becky Iba and Michelle Bunting (who received Most Valuable Player) were setting with sweet and consistent hands and surprised the team with many powerful hits.

Our thanks to all those who supported us throughout the season like Matt Pringle and Tate Nelson.

Special thanks to our coach, Howard Nusinov a.k.a. Joe Stud.

After a year of disappointment, the Junior Varsity, with former Standford standout Dan Parr coaching, hopes to return to its dominance in league and tournaments. Returning players Mike "Spud" Lum, Greg Dyer, and Morgan McKinzie, should provide a solid core to base a winning team.

With an impressive show in a preseason Varsity tournament- the team is looking forward to a bright season. This year's team has loads of raw talent in their Freshman ans Sopomore players and hopes to develop it to continue the tradition of excellence in the Samohi's Volleyball Program.

Boys Varsity Volleyball

This year's team has a great mix of returning talent and new faces. Returning varsity players: Greg Eilber, Randy Gerren,° Tagore Evans, and Brian Marshall should provide good leadership and tough competition for opponents as well. Sophomore Mike Sealy, junior Ryan Moos and senior Eric Eteberi will be filling the shoes of vacated varsity starters while talent abounds on the bench. Backrow specialist/ setter Greg Stillman and all purpose player Ian williamson head the list of a quality bench that will be a big factor in this years CIF run. Hoping to out do last years second round loss to Laguna Beach, this years squad hopes to match the cinderella season of the basketball team.

Varsity Water Polo

The 1986 Varsity Waterpolo Team, all in all, was a successful team as far as individual talents were concerned. Donald Bilson, senior, went out to break our school record of 133 career goals and succeeded. He presently has 135 goals. Bilson also made the 1st team Ocean League along with Larry Green, one of our leading scorers, and Matt Flanders, our starting goalie. Flanders is the first sophomore ever to be made 1st team. Vytus Babius, senior and team captain, and Yuri Blezinger, junior, succeeded in making 2nd team. Our other starters, Paul Grafton, senior, and Serge Kogan, junior, played important roles in our success.

Our benchwarmers should be given credit, also, for their support and cheers: Kevin Curtis, Mike Goodman, Alex Haddox, Steve Hoevel, Simon Snyder, Morgan Snyder, Larry Schragger, Veronica Wilson, Liling Young and Brian Timmerman.

Timmerman, sophomore, should be given special credit for starting in several of our games. He has made tremendous improvements and is a hopeful for next year.

After a good year, the team finally finished second after losing to Mira Costa in our league game.

Varsity Baseball

This years Vikes had it all: Power hitting in the forms of Peter McKellar, Scott Grimm, and Fito Beccerra. Consistent run producers Kris DeKoff, Randy Bongard, and Aaron Marcarelli, always came through. Excellent defense and clutch hitting came in the forms of Tim McCaffrey, and Nick Satriano, while Mark Jackson and Brian Sepulveda combined speed with power. Tony Tarasco and Jimmie LaBrie contributed both offensively and defensively. Steve Wachler was a powerful asset behind the plate. Then there was a very strong five man pitching staff that consisted of four returning Varsity pitchers. Alonzo Mier, Mario Mitchell, and newcomer Kris Schwengel over-powered batters while David Masi sat them down looking. The bullpen consisted of returning relief-pitcher Kurt Schwengel. And then there is Ernie . . .

Boys J.V. Basketball

The Vikings started the year with a very inexperienced team, with five sophomores and five juniors. Brandon LaBrie, Jason Hoffman, and Jeremy Olson were the only returning players to the J.V. team.

With the new entree to the Ocean League, there came very tall and aggressive players. This was a problem for the Vikings, but they battled their way through a tough season. The most consistent player was Jeremy Olson, who also was the team captain. The Vikes ended their season with a record of:

League: 4-6 and Non-Conference: 3-4.

Overall the experienced obtained throughout the season will be a dominating factor on next years Varsity team.

The 1987 Varsity Softball Team is one of the new entries into the Ocean League.

Roland Hardy, Head Coach, predicts the Lady Vikes, although stocked with under classmen, will take the Ocean League by storm and on or by May 14, they will win the Ocean League Conference with a breeze. They are lead by the infielders Melissa Reed, Laurie Heggie, Kelly Linvile, and Barbara Carlson. The Outfielders are Heather Perini, Stacey Berman, Robin Zander, and Allison Gold.

Superior Battery is shown by Yvonne Zeenia, Lisa Hardy. We have a deep and strong reserve made up of Monique Garcia, Nicole D'Karas, Michelle Allison, Tanya Sandy, Cindy Brening, Laurice Patts, and Tanya Locue.

Without a question, they are the strongest High School Softball team on the West Side. They are hard working, dedicated and a pleasure to coach. They are true winners.

Boys Varsity Basketball

Nobody ever thought they could do it.

The Vikings, led by Danny Price, captain forward/ guard, Trane Hunter and Jacoby Day, centers, William Benjamin, guard, and Keith Neal, forward/guard, had a less than successful pre-season. Finishing with a record of 4-8, it seemed that this wasn't Samohi's year. The last pre-season game against Crenshaw marked the turning point for the team.

With the start of league play came a new sense of unity. The league opener against Beverly Hills was the start of a new Viking Team. Key contributors were Hunter and his superb rebounding, Price ans his preformance, and on court offensive coordinator, Benjamin. Pressuring man to man defense became their trademark. Syrus Yarborough came off the bench to take control of the court with his tenacious defense. The Vikings finished as champions with a 9-1 league record.

When the Vikings entered CIF, it was predicted they would not go very far. They became the first Viking team since 1928 to be CIF Champions. Some highlights were the one point victory over Simi Valley in OT, the victory over Buena who the Vikings lost to two years ago in the third round of CIF, and of course the Arena. When the Vikings became CIF Champions by beating Westlake 62-60 at the L.A. Sports Arena, fans mobbed the court in celebration of the much deserved title.

The Vikings then advanced to State. With an easy victory over Morse, the Vikings seemed unstopable. The season came to a close with a heartbreaking loss to Fairfax (Nationally ranked #2). However, Samohi came closer to beating the Lions than any other school and went against tradition by holding the lead at the halftime buzzer.

Lest we forget, a word of praise to Coach Cliff Hunter for his patience and for pulling the team together and making it victorious. Also, congradulations to Price and Hunter for being named co-MVP's of the Ocean League. We wish them, and seniors Jason Teehan, and Sean Garret luck in the future. It seems that with most of the team returning, the Vikings may be just as successful next year, and we'll be waiting.

Boys Varsity Soccer

The Samohi Varsity Soccer Team enjoyed another outstanding season in 1986-1987. They proved that last year's results were not a fluke as they matched the record for most wins in a regular season with 17 wins, 6 losses, and 3 ties. Samo also tied the school record of 57 goals in a season.

Samohi's Josh Brock was not only chosen as the Team's Most Valuable Player by his teammates, but also the Ocean League's Most Valuable Player by the League's coaches. Josh was also picked to the All-CIF Southern California Team.

The 1986-87 season also saw Jonah Goldstein chosen as the team's Defensive Player of the year. Jonah had the honor of being the first Samohi Soccer Player ever to be selected as an ALL-AMERICAN by the National Soccer Coaches Association of America.

After a short mid-season slump, the Vikings came on strong to go undefeated in the second half of the league season and made the CIF Playoffs where they were knocked out by South Torrance in a very tough game marred by strong winds.

Due to their outstanding second half of the Ocean League season, Javier Becerra, who was also the Team's Offensive Player of the Year and leading scorer; Scott Fite, leading goal scorer for Samo; Drew McLaren, a two-time All-League performer; and George Duncan, the Team's third leading scorer, joined Jonah Golstein on the All-Ocean League First Team. Andy Libuser, who was a Team Co-Captain with Jonah, was joined on the second team by two-year Varsity Letterman Darren Burris and Mike Deen.

The Team also selected Ty Miller as the Rookie of the Year and Scott Fite as the Most Improved Player. The Coaches Award went to Billy Crooks. The Darrell Marks Soccer Scholar Award went to Andy Libuser. Andy was a three-year Varsity Letterman with a 4.0 GPA.

Boys J.V. soccer

The 1986-87 J.V. Soccer Team had one of the most successful seasons on record. The Team had a record of 18 wins, 5 losses, and 4 ties. Included in this record were first place finishes in both the Simi Valley and South Bay Tournaments. These tournament victories were the first ever by a Samohi J.V. Soccer team.

One of the biggest reasons for the teams success was its stingy defense. Led by fullbacks Steve Li, Gabe Fernandez, Peter Levin, Adam Demirjian, Leon Hernandez, and goal keeper Noah Hardie, the Team allowed only 15 goals and had 17 shutouts on the season.

On the attack, the J.V.'s had several players who were threats to put the ball in the net. Among the goal scorers this season were, Zoe Thomas, Mario Dominguez, Todd Fite, and Willie gomez.

The assist leaders this season were Nick Schmid, Curt Arndt, Carlos Anaya, and Jesse Cantor.

This year's team should be congratulated on their outstanding results. Their achievements show that hard work and determination do pay off. The Coaches Award goes to Willie Gomez and Most Improved goes to Adam Demirjian.

Top row L-R: Coach Ken Pringle, Gabriel Fernandez, Steve Li, Curt Arndt, Adam DeMirjian, and Assistant Coach Jim Warner. Middle Row: Zoe Thomas, Julio Diaz, Willie Gomez, Todd Fite, and Jesse Cantor. Bottom Row: Leon Hernandez, Carlos Anaya, Noah Hardie, Nick Schmid, and Mario Dominquez.

All the fun I've shared with you

Together we've had many good times,
And conquered the problems we've had to face.
So I want you to know
That I am always here,
If ever you need a friend
To make your thoughts clear.
And when I must leave you,
As many good friends sometimes part,
I leave you with good memories

Alisa (Tisa)- You have a certain way about you that makes me so happy. Remember "If you were a guy I'd marry you." I've never had more fun with a person as when I'm with you. Mike, Danny, Jeff (agoura), Scotty, Jason, Matt, Eric (SAT), Brooke, and many more. What about S.B. and loosing me. Thanks Louis! I'm your Foo-Butt and I'll love you forever. Partying on little Dume together!

Sister (Angie coo-coo)- You've taught me to be strong. I can only thank you for being there for me whenever I needed you. I'll always look up to you, "you're the best." Love,
Foof

Mom-You are "the mold of my existence." That says it all! I love you with all my heart.
Zeesie
Foofie

Dad- I've made it through school and I hope you are proud of me. Thanx for your support.

Love,
Jenny

Jennifer; Now that you are beginning your adult life, I am certain there will be many wonderful and adventurous times ahead for you.

Love,
Dad

To my beautiful Jennifer
Foofie-Love
I want you to always know how proud of you I am. Whatever you do, Or however you think; in wonderful times and in not so wonderful times, I will love you, and be here for you in every way. You are my precious! Congratulations on your graduations.

Love always,
Mom

TO ALL MY SCHOOL MATES-
WE MADE IT 87'

I would like not only to dedicate this page, but also propose a toast to my best friends and family. For many years, these are the people that have supported, loved, and influenced every aspect of my life and the person that I have become. The time has now come for each of us to go our own ways, and like many things, these invaluable relationships are just beginning. Good Luck.

Mom and Dad- You're the best! You didn't lead me with a leash, Instead, you let me wander within the path you established. Although, at times the path was too narrow . . . Anyhow Mom thank you for providing a wonderful home where everyone feels comfortable. And Dad- I admit it, everything I know I learned from you. Thanks to both of you I have enough confidence among other things and Dad's "Good Look" to conquer the world.

Foo-butt- We've shared so many good times and bad times. Maybe the summers at the beach were the best . . . the thermos of coke . . . Is she with that 21 year old? But I think S.B. days are most memorable . . . University point . . . lost keys . . . 2 other things I'm trying to forget . . . F.T. at 6:30 a.m.-only you could understand the feelings . . . Westward Beach after hours . . . My dad's-how many times did we switch bedrooms that night? . . . The omlettes with chopped pickels . . . Talking under the tree at Pt. Dume School . . . rehearsed phone calls . . . running out of gas in my driveway- definite footprints in "our" heart . . . thanks for all your support. You understand me like no other, and during the rare occasion that I'm moody, you're the only one who knows how to deal with me. You're so special- when I'm sad you always come over and make me laugh . . . Silent laughs . . . Even funnier . . . when we laugh at ourselves. Thanks Foo.

Penny- Maybe it's our laughing at each other, maybe it's our shared love for junk food and chin chins, I doubt it's early morning nights at Zuckys . . . but for whatever unknown reasons, thanks for all the great times.

Vanessa- Eight years later including vacations in the Mediteranean and Carribean. What can I say? It's been wild. "Excuse me, but can our husbands take pictures next to you both?"

Heather-
A shoulder to cry on
An ear to lend
Money to borrow
Clothes to lend
Friday night movies
Afternoon talks
Mending those hearts
Crying those tears
Planning our futures
Voicing our fears
Our memories together
May they never end
Always together
Forever friends

He He- Well nothing like words of wisdom from a sister one year your senior. I would just like to say I hope you turn out as well as I have. Thanks for all those honest opinions- what would I do without you?

Tina: "The dream- you never achieve it. The excitement of life lies on the hope, in the stirring for something rather than attainment." Barbra Streisand

Best friends are. . .
the hugs at hellos and goodbyes
the feeling of never having been apart
because it's so great to be together,
the knowing that we
will find each other
no matter what happens
in this world,
because no barrier
is strong enough
to dare separate us.

FRIENDSHIP—
When everyone turned away,
You were the only one to stay.
You fought with me through good and bad,
We stayed together through happy and sad.
Although I had a doubt,
I knew we could work it out.
When something would make us fight,
We'd pull through, no matter how tight.
I hope we're never totally apart

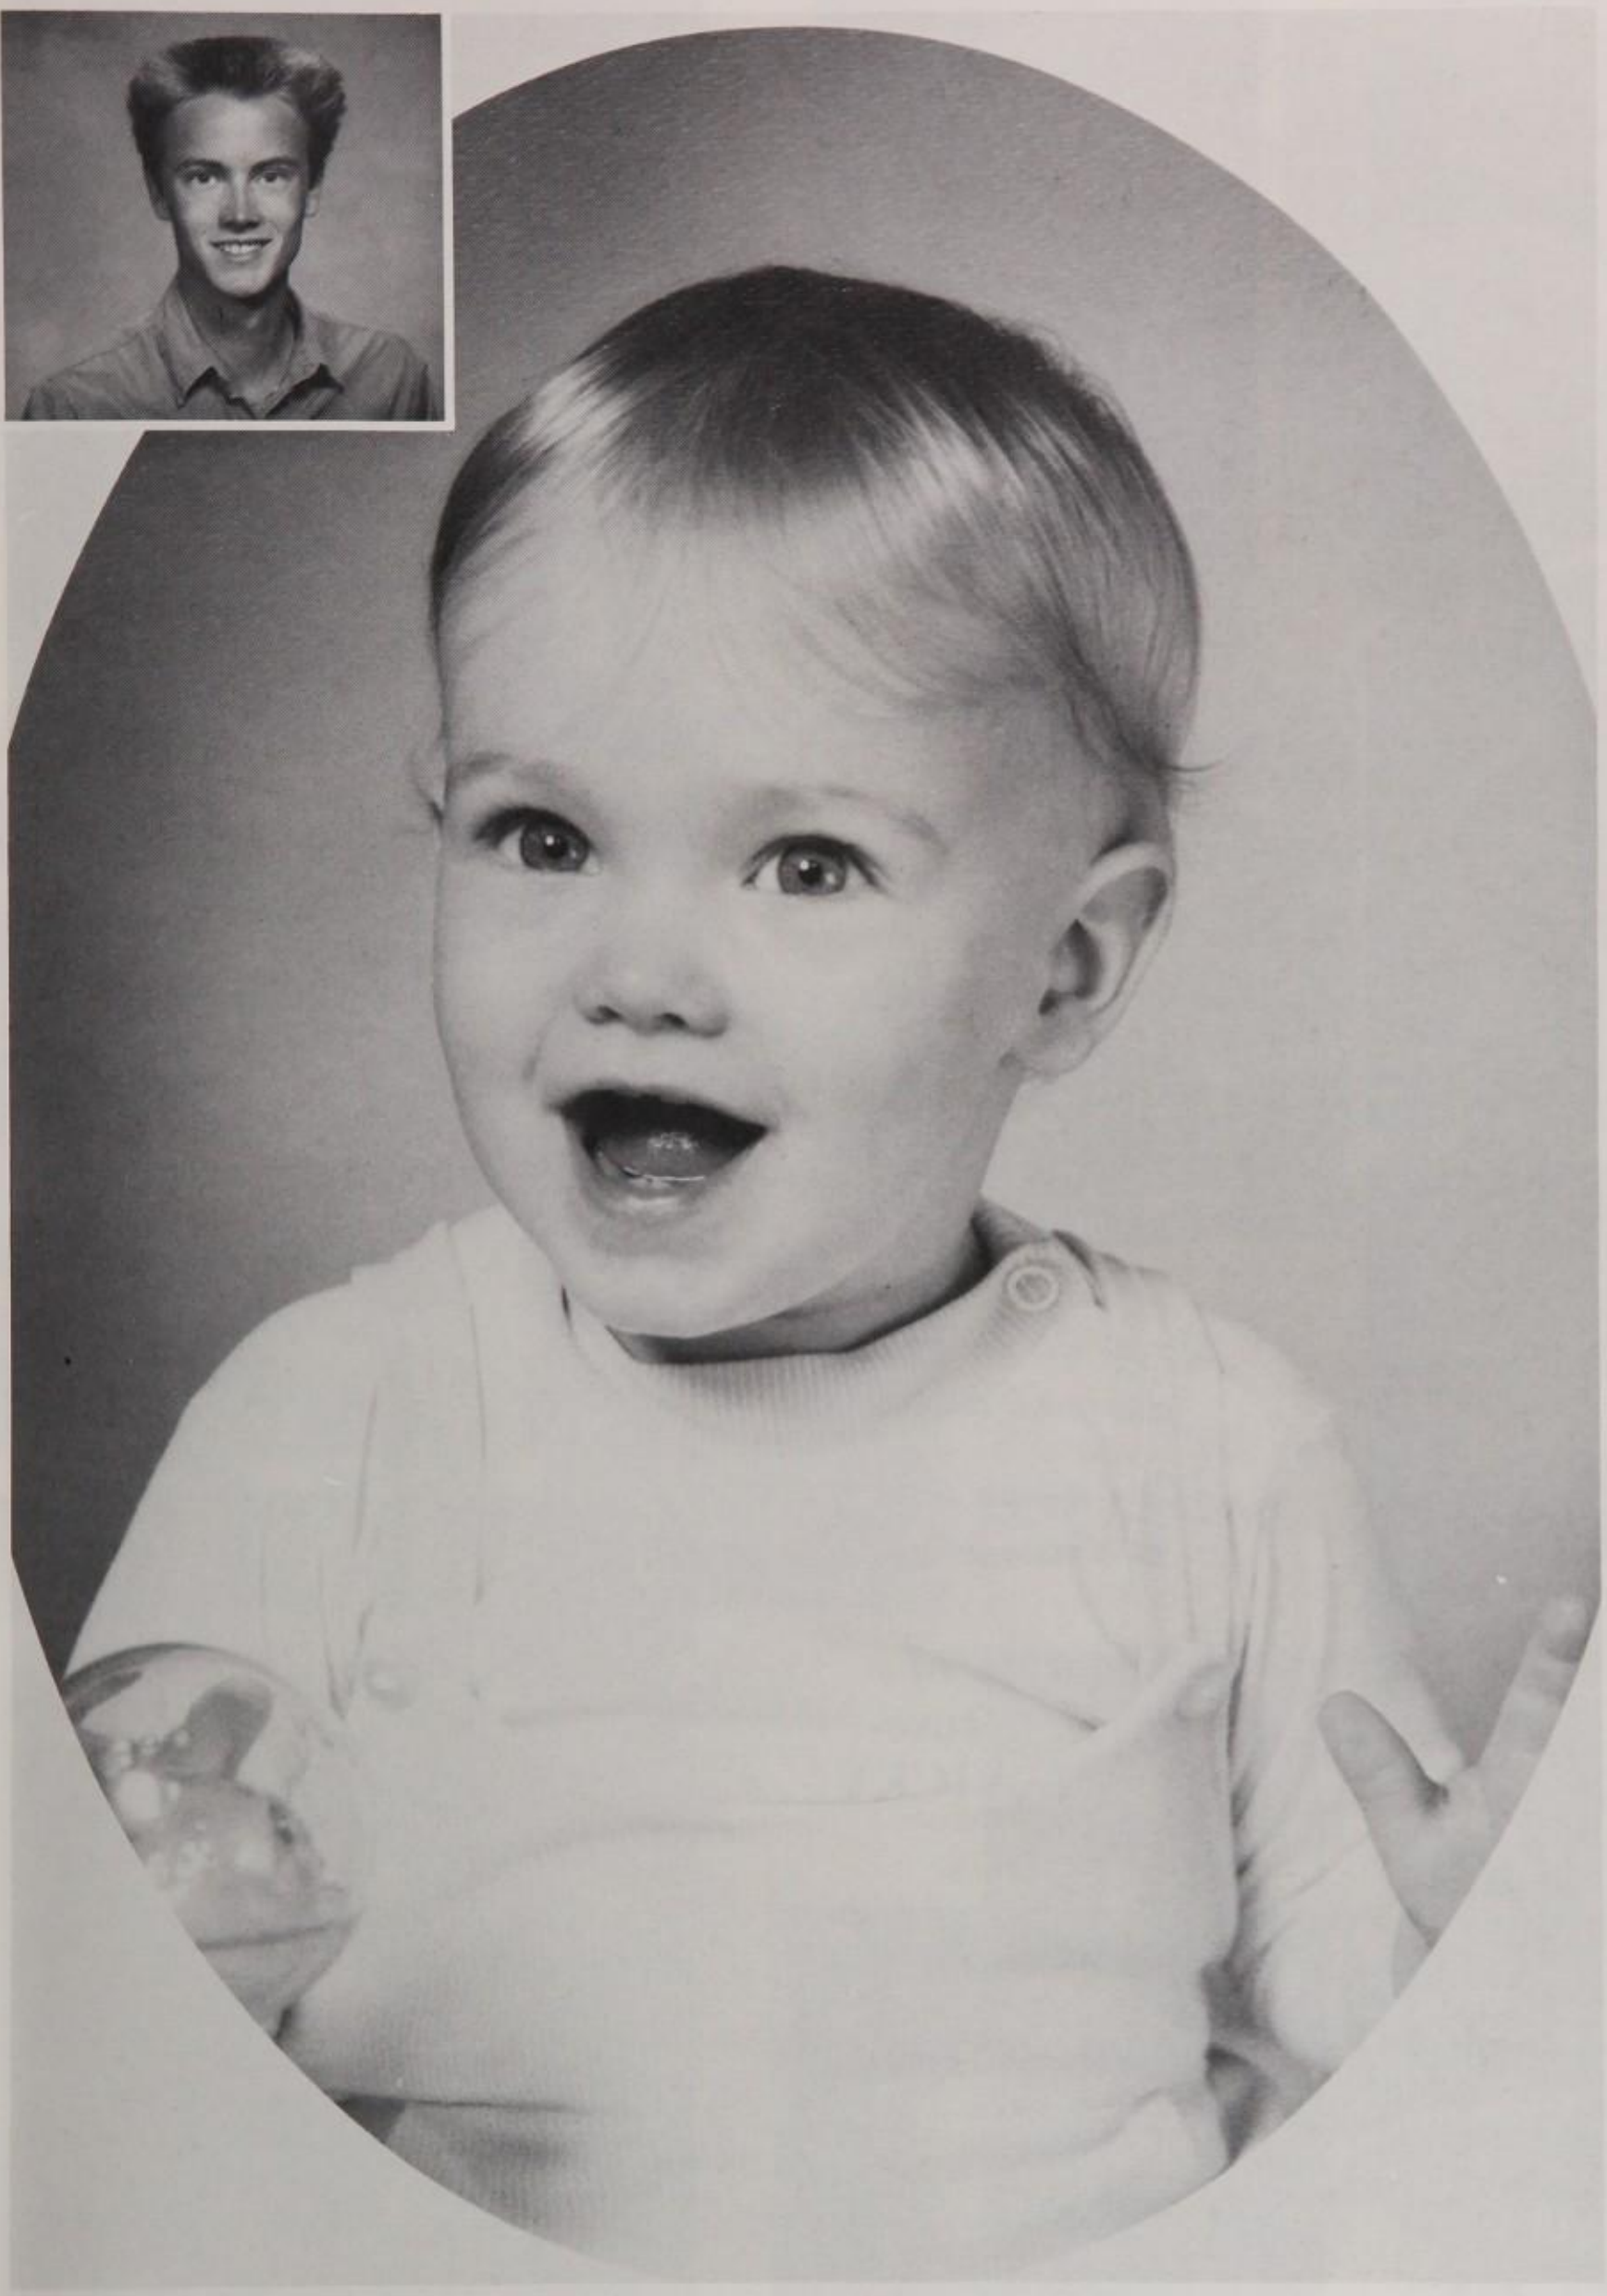
Dear Marty-



A son is a special person that fills your heart with pride and your life with love. Your graduation brings back so many joy-filled memories; the happiness you've brought since you were very small, the special way you have with animals and people alike. We hope that the years ahead bring all the things you're counting on to give you happiness. Remember that success lies not in being the best, but in doing your best. There's only so much words can say and, for that reason, we're hoping you know how dear you are, how loved by everyone.

I Don't think either of us suspected, when we first met, that we would stand where we do today, sharing the close harmony of our close friendship. But we grew together through the days, sharing laughter and tears, thoughts and silence—all the things that have become an unforgettable part of who we are. You have always encouraged me to share myself fully- my hopes, my dreams...my secret pains and sadnesses that I have come to understand better in the light of your concerned understanding. I hope I have reflected back to you, if only in a small way, something of the same. No one knows what path tomorrow will find us walking; but together or apart, I know that I've found in you the lifetime friend I have always wished for, and that the years passing will never change, but only strengthen, our enduring relationship.

Mom- You've always been there for me- to listen, to advise, and to help, You are a good friend, as well as my inspiration. May we never lose this closeness. I love you!!
Tony- You are the best brother anyone could ask for! I want you to know I appreciate all you've done for me. I know you don't want to hear it, but I love you!
Fiona- Can you hear them? They talk about us, telling lies, well that's no surprise. Doesn't matter what they say, in the jealous games people play. Jeannie- Is the bus behind us? Pull over miss- I know-word up! Never forget Sledgehammer and Gramps! Not too mention all the rest. You brought so much jow into my life, how can I ever thank you? Is the fact thAT I love you enough?
Heather- We started out as camp buddies, and ended up as so much more! I can't tell you how happy that makes me. Thank you for being there to listen and share my problems with.
Nikki- We'll always be neighbors in our hearts.

Your friend is your needs answered. He is your field which you saw with love and reap with thanksgiving And he is your board and your fireside. For you come to him with your hunger, and you seek him for peace. For without words, in friendship all thoughts, all desires and expectations are born and shared with joy.

LEXI-First of all — get a job and a haircut!: Lex-you are a true blue friend, thank you. What would I do without you? Always remember E.T. at Santa Barbara, candidating and Moses shoes. I love ya' Blue burrito! Good Luck!!!

Mom and Dad-You have always been there for me with your support and love. I may not always seem appreciative but without all the love you give me I would not be what I am today.
Knackline-You're such a great sister with so much talent. Stay away from the T.V. though or the H-inadeeadipus will get you!
Heather-Jr. guards, girl scouts, band, skiing and "The book of 1984", we've done it all together. Wherever we end up next year, together or apart just remember this when things aren't going well: "Smile for me honey, give me just a little one. I know its hard but you gotta keep on trying, so turn up the corner's of that grim straight line you know that things will be rosey if you smile for me one more time." Find the strength inside yourself when you need help, if that fails I'm here for you.

Kathleen-Twelve years and we're still the best of friends, who would of thought? I hope our friendship lasts forever because it really means a lot to me. I hope when you go off to college (or wherever) you let yourself escape. Let the world see the real Kathleen. I've seen her and she's a great person who will always be in my heart' I Love Ya!
Megan-First you left me, now I'm leaving you, but it seems every time our lives move apart our friendship moves closer. I'm glad we've become the best of friends this year. Hang in for one more year and then maybe we can move to New York together. Thanks for all you've done for me. I love you!

Dianna-You always listen when I need you to and you know I'm always here to listen to you. College may find us apart next year but our friendship will continue to strive. Months can go by but we will always be able to stay as close as we are now.
Devon-I'm sure neither of us will ever forget the tenth grade especially since you keep reminding me. I'm sorry. Trust has lead us to a great friendship and the sharing of secrets, thanks. Well here's to Dinner parties and cheese cake, I'll see you in the Greek!

Posie-Even though you were a couple of states away this year, you were alive here in spirit the whole time. You are truly a unique friend who I know I will never lose, because you will always be a part of me.

Todd Francis-You're the greatest story teller I've eve- met. You always make me laugh no matter what. I'm going to miss you so much! Here's to the Three Stooges on Saturday's!
Zak-You are just a confused chili-dog-maker, but you're special. I'll listen to you play your guitar anytime.
Todd D.-High schools over so go bananas.
Carol-Cheers! We'll go skiing next year.
John K.-Here's to box drinks and slot machines, Good Luck in college I am going to miss you!!
To all my friends- Thanks for standing by me all these years!

Love Always, Peggy

WE FINALLY MADE IT!

Santa Monica High School 1987

HISTORY

The beginning of Santa Monica High School can be traced to 1884. At this time two teachers were added to the staff of the Sixth Street School to mark the beginning of the teaching of high school subjects. The first graduating exercises for this two-year high school were held in 1887. It was not until 1891 that two more years were added to the school to complete a four-year high school. The first graduating class, consisting of five students, was graduated in 1894.

From the Sixth Street School, the high school was moved to the present site of Madison School and was called Lincoln High School. It was finished in the spring of 1898 and dedicated at the graduation exercises of that year. In 1910 Lincoln High could no longer accommodate the students of the growing community so bonds were voted for a new high school. The Board of Education decided to locate the buildings on Prospsect Hill.

The cornerstone of Santa Monica High School was dedicated on April 11, 1912, at the corner of Sixth Street and Pico Boulevard. Three buildings were originally erected. In 1913 the gymnasiums were built. In 1921 the Memorial Open Air Theater was added and dedicated to the memory of Samohi boys who served in World War I. In 1924 the Library Building, now the English Building, was added.

The buildings of Samohi sustained damage in the earthquake of 1932; in 1934 an extensive remodeling and modernization job was completed. Barnum Hall was completed in 1938. The 1400-seat auditorium, which has served both Samohi and the community so well, was named for W.F. Barnum, principal from 1914 to 1943.

In 1952 when Santa Monica City College left the location adjacent to the high school, Samohi acquired its campus. Some additional land was purchased, and today the campus covers about 31 acres.

In 1969 two construction projects were completed: an Olympic-sized natatorium connecting the girls' and boys' gymnasiums and enlargement of the Greek Theater to a seating capacity of 4,000. The fall of 1971 saw the completion of the new Language and Library Building. More recent additions include the Career Center, the Humanities Center and the computer laboratories.

The result of the efforts of many people through the years is a rolling campus uniquely set just four blocks from the Pacific Ocean.

When production began on the *1987 Nautilus,* we had no idea how challenging and rewarding the experience would be for us. We were honored to have the chance to produce such an important keepsake, to capture the spirit of the school with just pictures, and finally to give our fellow classmates the opportunity to remember the time they spent during thiscrucial period. As we leave this school, the lessons we learned, as well as the cherished memories of good and bad times, of friends and loved ones, will enrich our lives forever.

Looking back, we would say that the *1987 Nautilus* is as complete as we ever imagined possible. The groups, activities, and individuals protrayed here all represent life here at Samohi. Every member of the staff that worked hard has made their mark somewhere between these covers. We would like to express our sincere gratitude to the following individuals for their dedication and hard work.

The photographers would not have survived without the patience and understanding of Mr. Purucker. David Reinsch and Cinque Folayemi deserve much thanks for their excellent work on the cover; Kris Tholke for his double image picture and Ryan Harris for his aerial shots; Linh Duong for his timeless "Crowning of the Queen" picture; Andrew Koehler and Thomas Sedgwick for their 'precious' cameras. Special thanks to Racquel, Henry, David, and Anthony. And finally, Mrs. Jago, for her help, wisdom, and faith in us these past three years; we speak for the entire staff when we say "We could not have done it without you!"
